Projects

Multi-Page E-Commerce Website | HTML, CSS, JavaScript (ES6+)

- Developed a responsive multi-page e-commerce website using HTML, CSS, and JavaScript.
- Designed product listing, product details, cart, and checkout pages with a modern user interface.
- Implemented interactive features such as navigation menus, product filtering, and dynamic cart functionality using JavaScript.

Professional Experience

Web Development Intern | Ikontel Solutions Pvt. Ltd.

06/2026 - Present | Bhubaneswar

- Collaborated with a development team to build a responsive multi-page e-commerce website using HTML, CSS, and JavaScript.
- Developed Admin profile and User Profile modules with responsive and user- friendly interfaces.
- Integrated profile-related functionality with the overall website navigation and system workflow.
- Analyzed and tested the end-to-end system flow to ensure proper navigation and functionality across different modules.
- Collaborated with team members to debug functional issues, improve usability, and maintain consistent UI design.
